

International Conference on POLYMER SCIENCE AND TECHNOLOGY MACRO 2017

Advances in Polymer Science and New Generation Technologies SPSI-ACS Jubilee Symposium

8-11 January 2017

Thiruvananthapuram, Kerala, India

Organised by

The Society for Polymer Science, India

Thiruvananthapuram Chapter

In collaboration with

Indian Space Research Organisation
Council of Scientific and Industrial Research
Department of Science and Technology
American Chemical Society

THE CONFERENCE

MACRO 2017, a biennial international conference on polymer science and technology, is being held in India under the auspices of The Society for Polymer Science, India (SPSI). The aim of this conference is to provide a common platform for researchers from all over the world to come together and discuss scientific advancements in the area of polymer science and technology and showcase new generation technologies / their applications in various fields. The conference will be extremely useful to industries, researchers and academicians working in this field as people with diversified backgrounds are expected to attend the conference making the event truly interdisciplinary in nature. This conference will bring together a panel of highly accomplished experts in the field of polymer science and technology. The conference will feature keynote addresses, a number of plenary lectures, invited talks and contributed papers focusing on specific aspects of new generation polymers and their applications.

THE ORGANISERS

The conference is organised by The Society for Polymer Science, India Thiruvananthapuram Chapter (www.spsitvm.in). The Society for Polymer Science, India, is one of the premier professional societies of the country formed with the intention of promoting research in the field of polymer science and technology and also to provide a forum for interaction among the polymer scientists, engineers and technologists from R&D laboratories, universities and industries across the country.

FOCUS AREAS

Polymer synthesis and characterization
Polymers in energy applications, sensors
Green and sustainable polymers
Polymers for biomedical applications
Supramolecular polymers & self assembly
Nanostructured polymer systems
Advanced elastomeric materials
Polymer physics
Modelling/simulation of polymers

PATRONS

Shri. A. S. Kiran Kumar
Chairman, ISRO and Secretary, Dept. of Space

Dr. Girish Sahni
Director General, CSIR

Prof. Ashutosh Sharma
Secretary, Dept. of Science and Technology

Dr. R. A. Mashelkar
National Research Professor, NCL-CSIR

भारत सरकार
विज्ञान और प्रौद्योगिकी मंत्रालय
विज्ञान और प्रौद्योगिकी विभाग
GOVERNMENT OF INDIA
Ministry of Science and Technology
Department of Science and Technology

IMPORTANT DATES

First announcement - 4th March 2016
Abstract submission - 30th June 2016
Communication of acceptance - 31st July 2016
Submission of full paper - 30th October 2016
Registration begins - 1st September 2016
Registration ends - 15th December 2016

CORRESPONDENCE

Conference Secretariat (MACRO 2017)
PED Area, Vikram Sarabhai Space Centre, ISRO PO
Thiruvananthapuram 695 022, Kerala, India.
Tel: +91 471 256 4624; Fax: +91 471 256 4203/4096
email: info@macroindia2017.org
website: www.macroindia2017.org

REGISTRATION FEES

Foreign delegate USD 400
Foreign delegate (Student) USD 200
Indian delegate (Industry) ₹ 8000
Indian delegate (Academic & Research Institutes) ₹ 5000
Indian delegate (Student) ₹ 3000
Late registration Above charges + 20% extra

For further details and registration, visit: www.macroindia2017.org
